The college aims at imparting practical exposure to students and enhancing their understanding of real-life situations and widening their thinking. Under MoU with Aroma College of Commerce, the college conducted a field work on "Awareness and Usage of E-Wallet in Ahmedabad City".

Objectives:

- To bridge the gap between theoretical knowledge and reality.
- To equip students with the digitalization in Digital India.
- To generate interest in study among students by involving them with community.
- To develop communication and other skills in students.
- To make the students aware of how paperless money is being used in the society.

Outcomes:

- 212 students conducted the survey. Nearly 2000 respondents' data has been collected.
- Through collaboration, the spirit of inclusive growth and collective progress developed among students.
- Analysis of data widened understanding of the students about the usage of paperless money.
- The students were enlighten about the reasons for the usage and non-usage of paperless money.
- Survey gave a new approach to students about the use of E-Wallet.
